## February Meeting

**Date and Time:** Monday, February 23, 7:00-9:00

**Location:** Wade Hardware  
400 SW 2nd Street  
Corvallis, OR 97333

**Topic:** Autumn Peterson  
Heritage Finishes and Summerbeam Books in Philomath

While Autumn's Heritage Finishes specializes in natural oil-based products her talk will be about finishes and finishing in general, not just the products she manufactures and sells.

Besides her experience with finishes Autumn is a past vice president of the Timber Framers' Guild and has a master's degree in architecture from The University of Oregon where she specialized in historic preservation. In 2023 she opened Summerbeam Books on Main Street, Philomath. A specialist bookstore, Summerbeam Books stocks one of the most complete selections of books in the US on woodworking, house construction, architecture and allied subjects.

There's a lot to know about finishing, the final stage of our woodworking projects. We are lucky to have someone with Autumn Peterson's expertise living in our area and willing to share her knowledge with us.

**Raffle** Yes! Bring your bills, win a prize, and support the club.

## Upcoming Events

### Lecture - Nick Clark - Wood Bending Techniques

**Date and Time:** Friday, March 6, 2026, 7:00pm - 9:00pm

**Location:** Benton County Historical Society Museum  
411 SW 2nd Street, Corvallis, OR 97330  
Collins Room

As a follow up to Yuri Kobayashi's 2023 steam bending demo Nick Clark will be focused on the other wood bending technique, bent lamination. As an extra bonus Nick will demonstrate his methods for producing the custom veneers he uses in some of his projects.

Friday March 6th at 7 pm, in place of our regular March meeting we will hold a special event open to

all in the Collins Room at the Benton County Historical Society Museum: Nick Clark: A Woodworker's Journey from the UK to Corvallis

In the first half Nick will describe how a "lad" from an English village who began his woodworking career in a traditional UK 5-year woodworking apprenticeship program at age 16 ended up a master woodworker in the Corvallis, Oregon area.

The second half of Nick's presentation will focus on his woodworking projects and the techniques he has refined over 40 years of furniture making and building high end cabinetry in the UK, Berkeley, CA, Ashland, OR and now the Corvallis area.

Those of you who have met Nick and seen his work know he is both an expert woodworker and an entertaining speaker. His museum talk should be an event that our membership, their families, friends and anyone with an interest in woodworking will enjoy attending.

While free, since the Museum charges \$300 for a Friday night rental of the Collins room there will a suggested donation of \$5-10 per person (in cash) to help cover the Guild's cost

and to simultaneously contribute to the success of our beautiful museum via rental of its facilities.

## Workshop - Nick Clark

**Date and Time:** Saturday, March 7, 2026, 9:00am - 3:00pm

**Location:** Crescent Valley High School - Woodshop  
4444 NW Highland Dr, Corvallis, OR 97330

**Topic:** As a follow up to Yuri Kobayashi's 2023 steam bending demo Nick's will be focused on the other wood bending technique, bent lamination. As an extra bonus Nick will demonstrate his methods for producing the custom veneers he uses in some of his projects.

The location of the demo will be the Crescent Valley High School Woodshop, and the date and time will be Saturday March 7th beginning at 9 am. As was the case in 2023 there will be a special event charge for Guild members. Note: you will as well need to be current on your 2026 Guild dues. Stay tuned for the extra amount and other details but be prepared for a very reasonable rate for a demo of this caliber.

## Annual Exhibition

April 23th-25th, 42nd Annual Exhibition of Fine Woodworking.

Still calling for exhibitors! Complete the form and show your stuff. See attached.

## 2026 Dues

If you have not already paid your membership dues of \$30.00 for 2026, please do so ASAP.

You can mail a check to:

MWWG  
PO Box 321  
Corvallis, OR 97339

Treasurer Brian Egan will have a Square reader at the February meeting if you would like to pay by credit or debit card. Alternatively, bring your check to the meeting.

Remember, your dues must be paid in full if you intend to include your wonderful work at our annual exhibition.

## January Meeting Recap

Despite a cold January night and competition from the college football championship, a strong group gathered to kick off the new year and discuss big ideas and plans for the months ahead.

Topics included upcoming meeting topics, Nick Clark's presentation, club insurance, meeting venues, the library show, as well as the Footwise show.

A productive and encouraging start to the year for the guild.

## Activity at MWWG.groups.io

To join and view the online forum for MWWG, you only need to email [MWWG@groups.io](mailto:MWWG@groups.io). Alternately, you can type in [MWWG.groups.io](https://MWWG.groups.io) on your browser and ask to subscribe. You don't need to supply content, other than maybe a hello comment, or "I'd like to join". Doug Ullmer is the moderator, so he approves the first post, and then you can review messages. You'll then be a "subscriber" and can log into [mwwg.groups.io](https://mwwg.groups.io) to see all the topics and edit your profile settings, including how you get new messages. The choices include getting a summary every day, or every 12 messages, or not at all.

If you are a paid member of MWWG you will also be able to post to the group.

## Guild Membership

### Member Benefits

- Can present work at MWWG exhibitions such as our annual show, our exhibit at Footwise in Corvallis and any other MWWG sponsored show.
- Discounted entry fee to special speakers or workshops.
- Can attend our August picnic and December holiday party
- Post to our groups.io discussion forum.
- Attend our mini-workshops
- Receive special notices of items for sale such as wood, tools.

Guild membership is for a calendar year. Membership needs to be renewed in January. Membership for 2024 is \$30 for adults and \$20 for students aged 16 to 21. MWWG now accepts electronic payment via Square. See Brian Egan at our meetings. Dues are payable by check to the MWWG at PO Box 321, Corvallis 97339. Or bring a check to our next meeting. Please be sure to include a [Membership/Renewal Form](#). Note that we require the form every year even if you are a current member.
